Highly Proficient Practitioners who are able to deliver a combination of these treatments with genuine care and consistency

Essential requirements are a positive disposition, a desire to keep improving, and a firm commitment to team-work. All applicants must be qualified to NVQ Level 2 or 3, or hold a recognised international equivalent qualification. Demonstrable hands-on experience in a salon, spa or clinic environment is important. The right to work in the UK permanently or on a working visa of up to 3 years is necessary.

Vintage Retreat encourages candidates from a variety of backgrounds, and can offer full or part time contracts to up to 10 staff. The flexibility to work weekends and some late nights is required. An attractive package will include base salary, team bonus & benefits.

If you meet these requirements and can see yourself working with us, email your CV and 250 words about yourself to rest@vintageretreat.com or call **Bhavna** on **07796 264475** for an informal chat. Selected applicants will be invited to join a two-stage interview & trade test recruitment exercise, which will begin immediately.
